

(d) **EFFECTIVE DATE.**—The amendments made by this section shall take effect on the day that the Secretary of Defense prescribes regulations under subsection (c).

(e) **PROGRESS REPORT.**—Not later than 240 days after the date of the enactment of this Act, the Secretary of Defense shall submit to the Committees on Armed Services of the Senate and House of Representatives a report on the status of the implementation of chapter 89 of title 10, United States Code, as added by subsection (a)(1)(A), and the implementation of section 986 of such title, as added by subsection (a)(1)(B).

**SA 4736.** Mr. COTTON submitted an amendment intended to be proposed to amendment SA 3867 submitted by Mr. REED and intended to be proposed to the bill H.R. 4350, to authorize appropriations for fiscal year 2022 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the appropriate place in title II, insert the following:

**SEC. \_\_\_\_ . UNDERWATER LAUNCH TESTING OF CONVENTIONAL PROMPT STRIKE WEAPON SYSTEM.**

(a) **TESTING REQUIRED.**—Not later than September 30, 2024, the Secretary of the Navy shall commence underwater launch testing for the Conventional Prompt Strike weapon system to facilitate capability deployment on a Virginia-class submarine before September 30, 2027.

(b) **ADDITIONAL FUNDING.**—

(1) **IN GENERAL.**—The amount authorized to be appropriated for fiscal year 2022 by section 201 for research, development, test, and evaluation is hereby increased by \$50,000,000, with the amount of the increase to be available for New Design SSN (PE 0604558N).

(2) **AVAILABILITY.**—Of the amount made available under paragraph (1), \$50,000,000 shall be available to accelerate Conventional Prompt Strike weapon system integration on Virginia-class submarines.

(c) **OFFSET.**—The amount authorized to be appropriated for fiscal year 2022 by section 301 for operation and maintenance is hereby decreased by \$50,000,000 with the amount of the decrease to be taken from amounts available as specified in the funding table in section 4301 for the Afghanistan Security Forces Fund, Afghan Air Force Sustainment.

**SA 4737.** Mrs. GILLIBRAND (for herself, Mr. RUBIO, Mr. HEINRICH, Mr. BLUNT, and Mr. GRAHAM) submitted an amendment intended to be proposed to amendment SA 3867 submitted by Mr. REED and intended to be proposed to the bill H.R. 4350, to authorize appropriations for fiscal year 2022 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the appropriate place in title XV, insert the following:

**SEC. \_\_\_\_ . ESTABLISHMENT OF STRUCTURE AND AUTHORITIES TO ADDRESS UNIDENTIFIED AERIAL PHENOMENA.**

(a) **ESTABLISHMENT OF ANOMALY SURVEILLANCE AND RESOLUTION OFFICE.**—

(1) **IN GENERAL.**—Not later than 180 days after the date of the enactment of this Act,

the Secretary of Defense shall, in coordination with the Director of National Intelligence, establish an office within an appropriate component of the Department of Defense, or within a joint organization of the Department of Defense and the Office of the Director of National Intelligence, to assume—

(A) the duties of the Unidentified Aerial Phenomenon Task Force, as in effect on the day before the date of the enactment of this Act; and

(B) such other duties as are required by this section.

(2) **DESIGNATION.**—The office established under paragraph (1) shall be known as the “Anomaly Surveillance and Resolution Office” (in this section referred to as the “Office”).

(3) **TERMINATION OR SUBORDINATION OF PRIOR TASK FORCE.**—Upon the establishment of the Anomaly Surveillance and Resolution Office, the Secretary shall terminate the Unidentified Aerial Phenomenon Task Force or subordinate it to the Office.

(b) **FACILITATION OF REPORTING AND DATA SHARING.**—The Director and the Secretary shall each, in coordination with each other, require that—

(1) each element of the intelligence community and the Department, with any data that may be relevant to the investigation of unidentified aerial phenomena, make such data available immediately to the Office; and

(2) military and civilian personnel employed by or under contract to the Department or an element of the intelligence community shall have access to procedures by which they shall report incidents or information, including adverse physiological effects, involving or associated with unidentified aerial phenomena directly to the Office.

(c) **DUTIES.**—The duties of the Office established under subsection (a) shall include the following:

(1) Developing procedures to synchronize and standardize the collection, reporting, and analysis of incidents, including adverse physiological effects, regarding unidentified aerial phenomena across the Department and in consultation with the intelligence community.

(2) Developing processes and procedures to ensure that such incidents from each component of the Department and each element of the intelligence community are reported and incorporated in a centralized repository.

(3) Establishing procedures to require the timely and consistent reporting of such incidents.

(4) Evaluating links between unidentified aerial phenomena and adversarial foreign governments, other foreign governments, or nonstate actors.

(5) Evaluating the threat that such incidents present to the United States.

(6) Consulting with other departments and agencies of the Federal Government, as appropriate, including the Federal Aviation Administration, the National Aeronautics and Space Administration, the Department of Homeland Security, the National Oceanic and Atmospheric Administration, and the Department of Energy.

(7) Consulting with allies and partners of the United States, as appropriate, to better assess the nature and extent of unidentified aerial phenomena.

(8) Preparing reports for Congress, in both classified and unclassified form, as required by subsections (h) and (i).

(d) **EMPLOYMENT OF LINE ORGANIZATIONS FOR FIELD INVESTIGATIONS OF UNIDENTIFIED AERIAL PHENOMENA.**—

(1) **IN GENERAL.**—The Secretary shall, in coordination with the Director, designate line organizations within the Department of De-

fense and the intelligence community that possess appropriate expertise, authorities, accesses, data, systems, platforms, and capabilities to rapidly respond to, and conduct field investigations of, incidents involving unidentified aerial phenomena under the direction of the Office.

(2) **PERSONNEL, EQUIPMENT, AND RESOURCES.**—The Secretary, in coordination with the Director, shall take such actions as may be necessary to ensure that the designated organization or organizations have available adequate personnel with requisite expertise, equipment, transportation, and other resources necessary to respond rapidly to incidents or patterns of observations of unidentified aerial phenomena of which the Office becomes aware.

(e) **UTILIZATION OF LINE ORGANIZATIONS FOR SCIENTIFIC, TECHNOLOGICAL, AND OPERATIONAL ANALYSES OF DATA ON UNIDENTIFIED AERIAL PHENOMENA.**—

(1) **IN GENERAL.**—The Secretary, in coordination with the Director, shall designate one or more line organizations that will be primarily responsible for scientific, technical, and operational analysis of data gathered by field investigations conducted under subsection (d), or data from other sources, including testing of materials, medical studies, and development of theoretical models to better understand and explain unidentified aerial phenomena.

(2) **AUTHORITY.**—The Secretary and the Director shall promulgate such directives as necessary to ensure that the designated line organizations have authority to draw on special expertise of persons outside the Federal Government with appropriate security clearances.

(f) **INTELLIGENCE COLLECTION AND ANALYSIS PLAN.**—

(1) **IN GENERAL.**—The head of the Office shall supervise the development and execution of an intelligence collection and analysis plan on behalf of the Secretary and the Director to gain as much knowledge as possible regarding the technical and operational characteristics, origins, and intentions of unidentified aerial phenomena, including the development, acquisition, deployment, and operation of technical collection capabilities necessary to detect, identify, and scientifically characterize unidentified aerial phenomena.

(2) **USE OF RESOURCES AND CAPABILITIES.**—In developing the plan required by paragraph (1), the head of the Office shall consider and propose, as appropriate, the use of any resource, capability, asset, or process of the Department and the intelligence community.

(g) **SCIENCE PLAN.**—The head of the Office shall supervise the development and execution of a science plan on behalf of the Secretary and the Director to develop and test, as practicable, scientific theories to account for characteristics and performance of unidentified aerial phenomena that exceed the known state of the art in science or technology, including in the areas of propulsion, aerodynamic control, signatures, structures, materials, sensors, countermeasures, weapons, electronics, and power generation, and to provide the foundation for potential future investments to replicate any such advanced characteristics and performance.

(h) **ASSIGNMENT OF PRIORITY.**—The Director, in consultation with, and with the recommendation of the Secretary, shall assign an appropriate level of priority within the National Intelligence Priorities Framework to the requirement to understand, characterize, and respond to unidentified aerial phenomena.

(i) **AUTHORIZATION OF APPROPRIATIONS.**—There is authorized to be appropriated such sums as may be necessary to carry out the work of the Office, including—

(1) general intelligence gathering and intelligence analysis; and

(2) strategic defense, space defense, defense of controlled air space, defense of ground, air, or naval assets, and related purposes.

(j) ANNUAL REPORT.—

(1) REQUIREMENT.—Not later than October 31, 2022, and annually thereafter until October 31, 2026, the Secretary in consultation with the Director, shall submit to the appropriate committees of Congress a report on unidentified aerial phenomena.

(2) ELEMENTS.—Each report under paragraph (1) shall include, with respect to the year covered by the report, the following information:

(A) An analysis of data and intelligence received through reports of unidentified aerial phenomena.

(B) An analysis of data relating to unidentified aerial phenomena collected through—

(i) geospatial intelligence

(ii) signals intelligence;

(iii) human intelligence; and

(iv) measurement and signals intelligence.

(C) The number of reported incidents of unidentified aerial phenomena over restricted air space of the United States.

(D) An analysis of such incidents identified under subparagraph (C).

(E) Identification of potential aerospace or other threats posed by unidentified aerial phenomena to the national security of the United States.

(F) An assessment of any activity regarding unidentified aerial phenomena that can be attributed to one or more adversarial foreign governments.

(G) Identification of any incidents or patterns regarding unidentified aerial phenomena that indicate a potential adversarial foreign government may have achieved a breakthrough aerospace capability.

(H) An update on the coordination by the United States with allies and partners on efforts to track, understand, and address unidentified aerial phenomena.

(I) An update on any efforts to capture or exploit discovered unidentified aerial phenomena.

(J) An assessment of any health-related effects for individuals who have encountered unidentified aerial phenomena.

(K) The number of reported incidents, and descriptions thereof, of unidentified aerial phenomena associated with military nuclear assets, including strategic nuclear weapons and nuclear-powered ships and submarines.

(L) In consultation with the Administrator of the National Nuclear Security Administration, the number of reported incidents, and descriptions thereof, of unidentified aerial phenomena associated with facilities or assets associated with the production, transportation, or storage of nuclear weapons or components thereof.

(M) In consultation with the Chairman of the Nuclear Regulatory Commission, the number of reported incidents, and descriptions thereof, of unidentified aerial phenomena or drones of unknown origin associated with nuclear power generating stations, nuclear fuel storage sites, or other sites or facilities regulated by the Nuclear Regulatory Commission.

(N) The names of the line organizations that have been designated to perform the specific functions imposed by subsections (d) and (e) of this section, and the specific functions for which each such line organization has been assigned primary responsibility.

(3) FORM.—Each report submitted under paragraph (1) shall be submitted in unclassified form, but may include a classified annex.

(k) SEMIANNUAL BRIEFINGS.—

(1) IN GENERAL.—Not later than 90 days after the date of the enactment of this Act

and not less frequently than semiannually thereafter until December 31, 2026, the head of the Office shall provide the classified briefings on unidentified aerial phenomena to—

(A) the Committee on Armed Services and the Select Committee on Intelligence of the Senate; and

(B) the Committee on Armed Services and the Permanent Select Committee on Intelligence of the House of Representatives.

(2) FIRST BRIEFING.—The first briefing provided under paragraph (1) shall include all incidents involving unidentified aerial phenomena that were reported to the Unidentified Aerial Phenomena Task Force or to the Office after June 24, 2021, regardless of the date of occurrence of the incident.

(3) SUBSEQUENT BRIEFINGS.—Each briefing provided subsequent to the first briefing described in paragraph (2) shall include, at a minimum, all events relating to unidentified aerial phenomena that occurred during the previous 180 days, and events relating to unidentified aerial phenomena that were not included in an earlier briefing due to delay in an incident reaching the reporting system or other such factors.

(4) INSTANCES IN WHICH DATA WAS NOT SHARED.—For each briefing period, the Chairman and Vice Chairman or Ranking Member of the Committee on Armed Services and the Select Committee on Intelligence of the Senate and the Committee on Armed Services and the Permanent Select Committee on Intelligence of the House of Representatives shall receive an enumeration of any instances in which data related to unidentified aerial phenomena was denied to the Office because of classification restrictions on that data or for any other reason.

(l) AERIAL AND TRANSMEDIUM PHENOMENA ADVISORY COMMITTEE.—

(1) ESTABLISHMENT.—(A) Not later than October 1, 2022, the Secretary and the Director shall establish an advisory committee for the purpose of—

(i) advising the Office in the execution of the duties of the Office as provided by this subsection; and

(ii) advising the Secretary and the Director regarding the gathering and analysis of data, and scientific research and development pertaining to unidentified aerial phenomena.

(B) The advisory committee established under subparagraph (A) shall be known as the “Aerial and Transmedium Phenomena Advisory Committee” (in this subparagraph the “Committee”).

(2) MEMBERSHIP.—(A) Subject to subparagraph (B), the Committee shall be composed of members as follows:

(i) 20 members selected by the Secretary as follows:

(I) Three members selected from among individuals recommended by the Administrator of the National Aeronautics and Space Administration.

(II) Two members selected from among individuals recommended by the Administrator of the Federal Aviation Administration.

(III) Two members selected from among individuals recommended by the President of the National Academies of Sciences.

(IV) Two members selected from among individuals recommended by the President of the National Academy of Engineering.

(V) One member selected from among individuals recommended by the President of the National Academy of Medicine.

(VI) Three members selected from among individuals recommended by the Director of the Galileo Project at Harvard University.

(VII) Two members selected from among individuals recommended by the Board of Directors of the Scientific Coalition for Unidentified Aerospace Phenomena Studies.

(VIII) Two members selected from among individuals recommended by the President of the American Institute of Astronautics and Aeronautics.

(IX) Two members selected from among individuals recommended by the Director of the Optical Technology Center at Montana State University.

(X) One member selected from among individuals recommended by the president of the American Society for Photogrammetry and Remote Sensing.

(ii) Up to five additional members, as the Secretary, in consultation with the Director, considers appropriate, selected from among individuals with requisite expertise, at least 3 of whom shall not be employees of any Federal Government agency or Federal Government contractor.

(B) No individual may be appointed to the Committee under subparagraph (A) unless the Secretary and the Director jointly determine that the individual—

(i) qualifies for a security clearance at the secret level or higher;

(ii) possesses scientific, medical, or technical expertise pertinent to some aspect of the investigation and analysis of unidentified aerial phenomena; and

(iii) has previously conducted research or writing that demonstrates scientific, technological, or operational knowledge regarding aspects of the subject matter, including propulsion, aerodynamic control, signatures, structures, materials, sensors, countermeasures, weapons, electronics, power generation, field investigations, forensic examination of particular cases, analysis of open source and classified information regarding domestic and foreign research and commentary, and historical information pertaining to unidentified aerial phenomena.

(C) The Secretary and Director may terminate the membership of any individual on the Committee upon a finding by the Secretary and the Director jointly that the member no longer meets the criteria specified in this subsection.

(3) CHAIRPERSON.—The Secretary shall, in coordination with the Director, designate a temporary Chairperson of the Committee, but at the earliest practicable date the Committee shall elect a Chairperson from among its members, who will serve a term of 2 years, and is eligible for re-election.

(4) EXPERT ASSISTANCE, ADVICE, AND RECOMMENDATIONS.—(A) The Committee may, upon invitation of the head of the Office, provide expert assistance or advice to any line organization designated to carry out field investigations or data analysis as authorized by subsections (d) and (e).

(B) The Committee, on its own initiative, or at the request of the Director, the Secretary, or the head of the Office, may provide advice and recommendations regarding best practices with respect to the gathering and analysis of data on unidentified aerial phenomena in general, or commentary regarding specific incidents, cases, or classes of unidentified aerial phenomena.

(5) REPORT.—Not later than December 31, 2022, and not later than December 31 of each year thereafter, the Committee shall submit a report summarizing its activities and recommendations to the following:

(A) The Secretary.

(B) The Director.

(C) The head of the Office.

(D) The Committee on Armed Services and the Select Committee on Intelligence of the Senate.

(E) The Committee on Armed Services and the Permanent Select Committee on Intelligence of the House of Representatives.

(6) RELATION TO FACA.—For purposes of the Federal Advisory Committee Act (5 U.S.C. App.), the Committee shall be considered an

advisory committee (as defined in section 3 of such Act, except as otherwise provided in the section or as jointly deemed warranted by the Secretary and the Director under section 4(b)(3) of such Act.

(7) **TERMINATION OF COMMITTEE.**—The Committee shall terminate on the date that is six years after the date of the establishment of the Committee.

(m) **DEFINITIONS.**—In this section:

(1) The term “appropriate committees of Congress” means—

(A) the Committee on Armed Services, the Select Committee on Intelligence, the Committee on Foreign Relations, and the Committee on Appropriations of the Senate; and

(B) the Committee on Armed Services, the Permanent Select Committee on Intelligence, the Committee on Foreign Affairs, and the Committee on Appropriations of the House of Representatives.

(2) The term “intelligence community” has the meaning given such term in section 3 of the National Security Act of 1947 (50 U.S.C. 3003).

(3) The term “transmedium objects or devices” means objects or devices that are observed to transition between space and the atmosphere, or between the atmosphere and bodies of water, that are not immediately identifiable.

(4) The term “unidentified aerial phenomena” means—

(A) airborne objects that are not immediately identifiable;

(B) transmedium objects or devices; and

(C) submerged objects or devices that are not immediately identifiable and that display behavior or performance characteristics suggesting that they may be related to the subjects described in subparagraph (A) or (B).

**SA 4738.** Mr. MENENDEZ (for himself and Mr. RUBIO) submitted an amendment intended to be proposed to amendment SA 3867 submitted by Mr. REED and intended to be proposed to the bill H.R. 4350, to authorize appropriations for fiscal year 2022 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the end of title XII, add the following:

**Subtitle H—U.S.-Greece Defense and Interparliamentary Partnership Act of 2021**

**SEC. 1291. SHORT TITLE.**

This subtitle may be cited as the “U.S.-Greece Defense and Interparliamentary Partnership Act of 2021”.

**SEC. 1292. FINDINGS.**

Congress makes the following findings:

(1) The United States and Greece are strong allies in the North Atlantic Treaty Organization (NATO) and have deepened their defense relationship in recent years in response to growing security challenges in the Eastern Mediterranean region.

(2) Greece participates in several NATO missions, including Operation Sea Guardian in the Mediterranean and NATO’s mission in Kosovo.

(3) The Eastern Mediterranean Security and Energy Partnership Act (title II of division J of Public Law 116-94), authorized new security assistance for Greece and Cyprus, lifted the United States prohibition on arms transfers to Cyprus, and authorized the establishment of a United States-Eastern Mediterranean Energy Center to facilitate energy cooperation among the United States, Greece, Israel, and Cyprus.

(4) The United States has demonstrated its support for the trilateral partnership of Greece, Israel, and Cyprus through joint engagement with Cyprus, Greece, Israel, and the United States in the “3+1” format.

(5) The United States and Greece have held Strategic Dialogue meetings in Athens, Washington D.C., and virtually, and have committed to hold an upcoming Strategic Dialogue session in 2021 in Washington, D.C.

(6) In October 2019, the United States and Greece agreed to update the United States-Greece Mutual Defense Cooperation Agreement, and the amended agreement officially entered into force on February 13, 2020.

(7) The amended Mutual Defense Cooperation Agreement provides for increased joint United States-Greece and NATO activities at Greek military bases and facilities in Larissa, Stefanovikio, Alexandroupolis, and other parts of central and northern Greece, and allows for infrastructure improvements at the United States Naval Support Activity Souda Bay base on Crete.

(8) In October 2020, Greek Foreign Minister Nikos Dendias announced that Greece hopes to further expand the Mutual Defense Cooperation Agreement with the United States.

(9) The United States Naval Support Activity Souda Bay serves as a critical naval logistics hub for the United States Navy’s 6th Fleet.

(10) In June 2020, United States Ambassador to Greece Geoffrey Pyatt characterized the importance of Naval Support Activity Souda Bay as “our most important platform for the projection of American power into a strategically dynamic Eastern Mediterranean region. From Syria to Libya to the chokepoint of the Black Sea, this is a critically important asset for the United States, as our air force, naval, and other resources are applied to support our Alliance obligations and to help bring peace and stability.”.

(11) The USS Hershel “Woody” Williams, the second of a new class of United States sea-basing ships, is now based out of Souda Bay, the first permanent United States naval deployment at the base.

(12) The United States cooperates with the Hellenic Armed Forces at facilities in Larissa, Stefanovikio, and Alexandroupolis, where the United States Armed Forces conduct training, refueling, temporary maintenance, storage, and emergency response.

(13) The United States has conducted a longstanding International Military Education and Training (IMET) program with Greece, and the Government of Greece has committed to provide \$3 for every dollar invested by the United States in the program.

(14) Greece’s defense spending in 2020 amounted to an estimated 2.68 percent of its gross domestic product (GDP), exceeding NATO’s 2 percent of GDP benchmark agreed to at the 2014 NATO Summit in Wales.

(15) Greece is eligible for the delivery of excess defense articles under section 516(c)(2) of the Foreign Assistance Act of 1961 (22 U.S.C. 2321j(c)(2)).

(16) In September 2020, Greek Prime Minister Kyriakos Mitsotakis announced plans to modernize all three branches of the Hellenic Armed Forces, which will strengthen Greece’s military position in the Eastern Mediterranean.

(17) The modernization includes upgrades to the arms of all three branches, including new anti-tank weapons for the Hellenic Army, new heavy-duty torpedoes for the Hellenic Navy, and new guided missiles for the Hellenic Air Force.

(18) The Hellenic Navy also plans to upgrade its four MEKO 200HN frigates and purchase four new multirole frigates of an undisclosed type, to be accompanied by 4 MH-60R anti-submarine helicopters.

(19) The Hellenic Air Force plans to fully upgrade its fleet of F-16 jets to the F-16 Viper variant by 2027 and has expressed interest in participating in the F-35 Joint Strike Fighter program.

**SEC. 1293. SENSE OF CONGRESS.**

It is the sense of Congress that—

(1) Greece is a pillar of stability in the Eastern Mediterranean region and the United States should remain committed to supporting its security and prosperity;

(2) the 3+1 format of cooperation among Cyprus, Greece, Israel, and the United States has been a successful forum to cooperate on energy issues and should be expanded to include other areas of common concern to the members;

(3) the United States should increase and deepen efforts to partner with and support the modernization of the Greek military;

(4) it is in the interests of the United States that Greece continue to transition its military equipment away from Russian-produced platforms and weapons systems through the European Recapitalization Incentive Program;

(5) the United States Government should continue to deepen strong partnerships with the Greek military, especially in co-development and co-production opportunities with the Greek Navy;

(6) the naval partnerships with Greece at Souda Bay and Alexandroupolis are mutually beneficial to the national security of the United States and Greece;

(7) the United States should, as appropriate, support the sale of F-35 Joint Strike Fighters to Greece;

(8) the United States Government should continue to invest in International Military Education and Training (IMET) programs in Greece;

(9) the United States Government should support joint maritime security cooperation exercises with Cyprus, Greece, and Israel;

(10) in accordance with its legal authorities and project selection criteria, the United States Development Finance Corporation should consider supporting private investment in strategic infrastructure projects in Greece, to include shipyards and ports that contribute to the security of the region and Greece’s prosperity;

(11) the extension of the Mutual Defense Cooperation Agreement with Greece for a period of five years includes deepened partnerships at Greek military facilities throughout the country and is a welcome development; and

(12) the United States Government should establish the United States-Eastern Mediterranean Energy Center as authorized in the Eastern Mediterranean Energy and Security Partnership Act of 2019.

**SEC. 1294. FUNDING FOR EUROPEAN RECAPITALIZATION INCENTIVE PROGRAM.**

(a) **IN GENERAL.**—To the maximum extent feasible, of the funds appropriated for the European Recapitalization Incentive Program, \$25,000,000 for each of fiscal years 2022 through 2026 should be considered for Greece as appropriate to assist the country in meeting its defense needs and transitioning away from Russian-produced military equipment.

(b) **REPORT.**—Not later than 180 days after the date of the enactment of this Act, the Secretary of State shall submit to the appropriate congressional committees a report that provides a full accounting of all funds distributed under the European Recapitalization Incentive Program, including—

(1) identification of each recipient country;

(2) a description of how the funds were used; and

(3) an accounting of remaining equipment in recipient countries that was provided by the then-Soviet Union or Russian Federation.
